Forecast For Wales
Issued by Met Office Exeter
at 1600 on Saturday 20 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning colder but brighter into Sunday.

This Evening and Tonight:
Rain pushes south through the evening, turning patchier as it does. Skies clearing behind this and blustery winds becoming northerly, allowing it to turn colder in the early hours. Minimum temperature 3 deg C (37 deg F).

Sunday:
A good deal of sunny intervals present on Sunday. Staying largely dry in the east but showers feeding into the west. Feeling noticeably colder, particularly in blustery winds along coasts. Maximum temperature 9 deg C (48 deg F).

Outlook for Monday to Wednesday:
Cold and locally frosty start on Monday but staying dry with sunny intervals. Temperatures a touch closer to average for Tuesday. Somewhat cloudier on Wednesday with risk of rain later.
